### **Embracing Hope: Helping Families Thrive!**

*Join Broomfield FISH on Thursday, October 26th at the Lionsgate Event Center as they raise funds to feed families and fuel hope during their signature Embracing Hope luncheon.*

**BROOMFIELD, CO** - Broomfield FISH's annual luncheon and largest fundraiser of the year, Embracing Hope, returns this October! This event is free to attend and brings together neighbors from across the community to celebrate all of the good we have created together. Enjoy a delicious meal, hear community speakers share FISH's mission and work to help families thrive since its founding 60 years ago, and learn more about how you can help FISH provide food, emergency financial assistance, and one-on-one mentoring support for neighbors in need.

Community support is critical at a time when FISH is seeing an over 20% increase in the number of people coming in for assistance. High food and housing costs, paired with the recent decrease in SNAP benefits, are making it even harder for low-income

residents to make ends meet. One participant shared, “I love being able to go to FISH to pick up the needed groceries to help me survive. Everything has gotten so expensive. Without FISH, I don’t know where I would be. I am truly grateful and blessed for their services.”

One of the best ways to support Embracing Hope and make an impact in FISH’s work to feed families and fuel hope is to become a sponsor. Sponsorships contribute to FISH’s mission by allowing them to provide healthy food options in the marketplace each week, assist families through emergencies like job loss or health problems, and keep families housed. They also provide FISH the opportunity to recognize the support of individual and family donors as well as corporate partners. Sponsors’ contributions will be highlighted to FISH’s online community leading up to the event, as well as on-site during their luncheon.

You can support the event by becoming a sponsor and registering to attend at [fish23.bebids.me](https://fish23.bebids.me). If you have any questions, please contact FISH’s Engagement Team at [events@broomfieldfish.org](mailto:events@broomfieldfish.org) or by calling 303-460-6830.

### **About FISH**

The mission of FISH is to meet our neighbors’ basic human needs and provide them with hope and tools to rise out of poverty. FISH is a nonprofit organization that provides food, emergency financial assistance, and one-on-one mentoring support to Broomfield residents in need. To learn more, visit [www.broomfieldfish.org](http://www.broomfieldfish.org).
